

SONOMA EPICUREAN

March 26-29, 2026 | Healdsburg, CA

Save the date for March 26-29, 2026

The V Foundation for Cancer Research Sonoma Epicurean is celebrating its **5TH YEAR** in the heart of Sonoma County. This unique signature event features three days of curated experiences with award-winning chefs, local artisans and Sonoma County's top vintners, with a focus on lifestyle, wellness and sustainability.

v.org/sonomaepic | events@v.org

100% of event proceeds directly benefit game-changing cancer research through the V Foundation. By attending Sonoma Epicurean, you're supporting all-star scientists who are making breakthrough discoveries across all cancer types as we continue driving toward Victory Over Cancer®.

The V Foundation has made a proven, positive impact throughout the Bay Area funding **97 research grants totaling over \$33 million** in the region.
