

SONOMA EPICUREAN

MARCH 12-13, 2027 | HEALDSBURG, CA

Save the Date

The 6th Annual V Foundation for Cancer Research Sonoma Epicurean will return in March with a reimagined weekend series dedicated to raising funds for critical cancer research. The signature event brings together the nation's leading researchers, award-winning chefs, Sonoma County's top vintners, and immersive experiences celebrating lifestyle, wellness, and sustainability over two unforgettable days, all set amid Sonoma County's spectacular wine country landscapes.

A large, stylized red '100%' with a thick underline.

of net event proceeds
will directly benefit
game-changing
breakthrough cancer
research through the
V Foundation.

The V Foundation
has awarded
over \$500 million
in cancer research
through nearly
1,500 grants.
