

SONOMA  
EPICUREAN

MARCH 12-14, 2027 | HEALDSBURG, CA

# Save the Date

The 6<sup>th</sup> Annual V Foundation for Cancer Research Sonoma Epicurean will return in March with a reimagined weekend series dedicated to raising funds for critical cancer research. The signature event brings together the nation's leading researchers, award-winning chefs, Sonoma County's top vintners, and immersive experiences celebrating lifestyle, wellness, and sustainability over two unforgettable days, all set amid Sonoma County's spectacular wine country landscapes.

**100%**

of net event proceeds  
will directly benefit  
game-changing  
breakthrough cancer  
research through the  
V Foundation.

The V Foundation  
has awarded  
**over \$500 million  
in cancer research  
through nearly  
1,500 grants.**
